

Baby Expo 2012

Members of the Fort Hood community are invited to the Women's Health Clinic at CRDAMC for an information exposium on pregnancy through the first year of life.

Representatives will be present to connect you with services available within the community. We are committed to providing information to help you build a strong, healthy family.

Women's Health Clinic
Saturday, November 3,
10 a.m. - 2 p.m.

Presented by Carl R. Darnall Army Medical Center Maternal Child Health Section
